

## — MEDIA ALERT — NFT CONDITIONALLY OFFERS TO TERMINATE STRIKE

**NOTE TO EDITORS:**

**THE FOLLOWING INFORMATION WAS DELIVERED TO THE NESHAMINY SCHOOL BOARD TODAY...**

LANGHORNE, PA (January 13, 2012)

Dear Mr. Webb,

We have been advised that the School Board is willing to engage in around the clock negotiations if the Federation is willing to immediately end its strike. The Federation welcomes this Board offer to bargain twenty-four hours a day, seven days a week until agreement is reached, if the strike is suspended. We would readily agree to do so if the Board also agrees that if no agreement is reached within seven days of around the clock bargaining, all remaining disputes would be submitted to final and binding arbitration before an arbitrator selected from a list of seven names provided by the American Arbitration Association.

Please advise at your earliest convenience as to whether this offer is acceptable.

Very truly yours,

Louise Boyd  
President
